The National Education Association Fund for Children and Public Education collects voluntary contributions from Association members and uses those contributions for political purposes, including, but not limited to, making contributions to and expenditures on behalf of friends of public education who are candidates for federal office. Contributions to the NEA Fund for Children and Public Education are voluntary; making a contribution is neither a condition of employment nor membership in the Association, and members have the right to refuse to contribute without suffering any reprisal. Although the NEA Fund for Children and Public Education requests an annual contribution of \$15.00 this is only a suggestion. Any member may contribute more or less than the suggested amount, or may contribute nothing at all, without it affecting his or her membership status, rights, or benefits in NEA or any of its Associations.

Contributions or gifts to the NEA Fund for Children and Public Education are not deductible for federal income tax purposes. Federal law requires us to use our best efforts to collect the name, mailing address, occupation, and the name of employer for each individual whose contributions aggregate in excess of \$200 in a calendar year. Federal law prohibits the NEA Fund for Children and Public Education from receiving donations from persons other than members of the NEA and its affiliates, and their immediate families. All donations from persons other than members of NEA and its affiliates and their immediate families will be returned forthwith.

Contributions or gifts to WVEA-PAC are not deductible for federal income tax purposes. Dues payments may be deductible as a miscellaneous itemized deduction.

If you wish to contribute, please write your contribution amount in the boxes marked for NEA-FCPE and WVEA-PAC and total in the contribution amount column.
