We are Stronger Together

The reasons the West Virginia Education Association exists are right in front of you—your students and colleagues throughout your county. We all want the same thing; the positive teaching and learning conditions essential for building and maintaining schools where educators and students thrive, the resources and opportunities students and educators need to succeed. A strong, active membership is the reason WVEA makes public schools great for every child. Our collective voice affords us the strength to do more together than we can by ourselves.

This Member Benefits Guide outlines just a few of the benefits that are exclusive to WVEA members. From professional growth and support, to amplifying your voice in public policy debates that affect you and your classroom, to providing perks like advice on college debt reduction, WVEA has your future in mind.

Do You Need a Lawyer?

The WVEA/NEA Attorney Referral Program is a result of the group purchasing power of the over 3 million NEA members throughout the country. It provides you with free consultation (up to 30 minutes twice a year) with one of the Referral Program attorneys, and considerably reduced rates for legal services you might need.

Who is eligible?

All active, life, education support or retired NEA members and, at the request of the member, his or her spouse and dependent children.

What are the services?

Each eligible member is entitled to two free consultation sessions of up to 30 minutes each on any topic (except income tax preparation) during each program year. If a consultation leads to follow-up legal services of at least one billable hour, or equivalent services at a flat fee, it will not be counted as one of the consultations to which you are entitled that year.

If you decide to use the services of an Attorney Referral Plan, the attorney's regular fees will be discounted 30 percent if the problem falls into one of the following "core areas" and the attorney has indicated he/she is qualified in the area:

- ◆ Real Estate
- ◆ Wills and Estates
- ◆ Domestic Relations
- ◆ Consumer Protection
- ◆ Traffic Violations
