WVEA MISSION STATEMENT

Our mission is to advocate for education employees and to unite our profession to achieve the state's promise of a high quality public education system for all students.

OUR CORE VALUES

These principles guide our work and define our mission:

EQUAL OPPORTUNITY

We believe public education is the gateway to opportunity. All students have the human and civil right to a quality public education that develops their potential, independence and character.

ADVOCACY

We believe employee rights play an integral role in maintaining a quality public education system. Therefore, we advocate for the interests and working conditions of our members.

PROFESSIONALISM

We believe the expertise and judgment of education professionals are critical to student success. We maintain the highest professional standards and we expect the status, compensation and respect due all professionals.

UNITY

We believe individuals are strengthened when they work together for the common good. As education professionals, we improve both our professional status and the quality of public education when we unite and advocate collectively.
